

# Cutting edge children's entertainment

## **Birthday Party Guide**

Sportacular offers fun packed party entertainment for 5-14 year olds. We cater for parties of between 10 and 30 children for up to one and a half hours and can book an appropriate venue and arrange catering if required.

## **Party Activities**

We offer two different types of activity and ensure each party flows smoothly by tailoring the format to fit the size and specific requirements of the group:

### ***Multi Activities***

Sportacular offer an exciting range of indoor and outdoor multi activity birthday parties. Tailored to your requirements and child's interests we guarantee a fun packed party from start to finish with top quality, enthusiastic staff.

### ***Dance***

Our dance schools have proven extremely popular every year and we now offer dance themed birthday parties. With dance styles like Street Dance, Break Dance, High School Musical, and cheerleading all on offer, our professional dancing instructors will ensure your child's party hits every beat!

## **Party Structure**

The basic structure is as follows:

- Introduction and talk about equipment.
- We begin all our parties with some warm up games
- Children are taught basic moves / skills
- Children then put their moves / skills to the test
- Some team games are played
- We finish with a mini competition and certificates and medals are handed out

We recommend a couple of short refreshment breaks during the activities.

## **In safe hands...**

All our instructors are fully CRB registered and experienced in running children's activities. They have also undertaken all necessary First Aid and Child Protection courses.

## **Party Packages**

### **Economy Birthday Package**

## **Venue and catering requirements**

The above fees do not include venue hire or catering. If you would like us to arrange a venue and catering, we will provide a separate quote. In terms of facilities we require a space roughly the size of a badminton court (45' x 25') with appropriate flooring (i.e. carpeted, rubber or wooden) and a space for parents to provide food and drink etc. We are happy to liaise with the venue managers on this. Leisure centres and church halls prove to be most popular choice of venue and can generally be hired for around £15 - 20 per hour.

## **Prior Notice**

We ask all parents to give as much notice as possible prior to an event. Generally we ask for a minimum of 3 weeks but we will endeavour to accommodate any requests that fall within this period.
